

HELPING STUDENTS WITH DISABILITIES PLAN AND PREPARE FOR THE FUTURE

The Virginia Division of Rehabilitative Services is looking for businesses to partner with and provide summer work experiences to local high school students (ages 16 to 21).

Work experiences help our students thrive by:

- Exploring careers of interest
 - Improving their 21st century career readiness skills*
 - Learning specific job-related tasks
 - Experiencing authentic work environments
 - Building connections with businesses
- *Skills trainers will be available to assist our students at no cost to your business.*

We'd love to work with you to customize a work experience for students. Businesses who support work experiences are contributing to the next generation of productive members in the workforce and most importantly the community.

If you are interested in this opportunity, please contact me using the information below and we can discuss further details!
